Portfolio Instructions

Overview.

The portfolio application is designed to be a vehicle for your development as a professional arts educator and it will be added to as you continue through the endorsement process. Successful completion of the portfolio SAEP is your exit from the endorsement program.

Portfolio Preparation and Submission.

Complete the evidence column of the Endorsement Checklist form. In a separate narrative and following the sequence of that form, state your rationale for using the evidence cited in the form and placed in the portfolio. Highlight the entries to which you refer on the official transcripts. Choose an established specialist or qualified artist to write any letters of evaluation concerning art form competencies. These letters must be dated. Cite evaluator's qualifications, and date the work completed under his or her supervision. Demonstrated competency evaluations must be performed by USOE-approved university professors. Contact State Fine Arts Specialist Carol Ann Goodson (cgoodson@usoe.k12.ut.us) with questions you may have in the preparation of your portfolio. Submit your completed portfolio and processing fee to: Sheri Lowry, USOE Licensure; 250 E. 500 South; P.O. Box 144200; SLC, UT 84114-4200.

What Happens to the Submitted Portfolio?

Portfolios are received by the licensure office and then evaluated by USOE Arts Endorsement Consultants. Consultant recommendations include: (a) full endorsement, (b) citation of deficiencies and the development of an SAEP with temporary authorization to teach, and (c) identification of work needed before applying for an endorsement. Sufficient technical skill in any art form is generally a pre-requisite to being in an arts endorsement program, because such skill demands many years of development. No plan is approved that will require more than three years to complete. Acceptable progress within the plan must be reported in writing each year in order to remain in the endorsement program and to receive continued authorization to teach.
